

Whirlpool Model: WGD8620HC

7.4 cu. ft. Front Load Gas Dryer with Steam Cycles

Color Chrome Shadow

Product Description

Help prevent overdrying with a front load gas dryer with Advanced Moisture Sensing, which uses three moisture sensors to end the cycle at just the right time. A stainless steel dryer drum gently cradles clothes as they tumble. When drying ends, the ENERGY STAR® certified gas dryer's steam cycles help release and prevent wrinkles.
