

LUSTRE STAINLESS 36" INDUCTION FLEX COOKTOP

Signature Features

MAGNETIC INDUCTION

Magnetism with a pulse. A surface that heats only the cookware for fierce, flexible power.

EMOTIVE CONTROLS

Striking, intuitive and easy to clean. Inviting controls wait expectantly for the lightest touch to unleash performance.

TRUE FLUSH INSTALLATION

Pique curiosity. A true flush installation makes the jet-black surface melt into its surroundings, luring you in.

RAZOR-FINE EDGE INSTALLATION

Subtlety that dares to be ignored. Standing 3 millimeters above the countertop surface and nearly flush with the countertop itself, this precision edge is minimalism magnified.

PAN DETECTION

Be guided by intuition with a sensor-driven element that only activates upon contact with the right-sized cookware.

INSTALL OVER SINGLE WALL OVEN

Versatility and functionality converge with the ability to install in a countertop above our single wall oven.¹ May be installed above our single 24", 27" or 30" wall oven or the JennAir® 24-inch steam oven.¹

LUSTRE STAINLESS

Blur the lines of temptation with mind-bending curves and hairpin corners of stainless steel that will leave you reeling.

BRIDGE FUNCTION

Invoke the heat. Let it course through your cookware with two induction elements that fuse into one, a grand altar for cookware like griddles or braisers.

PAIR WITH CUSTOMIZED COOKTOPS

Design outside the lines. Curate a custom cooking surface by pairing with our 15" customized cooktops or with our 30" and 36" gas updraft cooktops to amplify your experience.

Technical Specifications

Configuration and Overview

- Size: 36 in
- Cooktop Type: Traditional
- Fuel Type: Electric Induction
- LP Convertible: No
- Installs Over Built-In Oven: Yes
- Power Boost: Yes
- UL: UL
