

# KitchenAid Model: KCED606GSS

36" Electric Downdraft Cooktop with 5 Elements

Color  Stainless Steel

## Product Description

This 36" electric cooktop features Downdraft, an integrated ventilation system that doesn't require a separate hood. A 10-inch Even-Heat™ Ultra element provides versatility for both high-and low-temperature cooking, and has multiple simmer settings. And with a 3-speed fan with 300 CFM exhaust rating, the venting can keep up with your culinary feats.
