

## Maytag Model: MER7700LZ

Electric Range with Air Fryer and Basket - 5.3 cu. ft.

Color  Fingerprint Resistant Stainless Steel

### Product Description

This Maytag® electric range with air fryer is here to cook the foods you want, when you want them. Use the included oven air fry basket to air fry your favorites and then toss it in the dishwasher for easy cleanup. Don't worry about rotating your dishes while you cook—fan convection cooking circulates hot air around your oven so you can cook your whole meal at once. Use the warming center on your range with air fry to keep your finished food warm while the rest of your food cooks. When you're done cooking, high temp self clean will fight the toughest baked-on foods to keep your electric range with air fryer looking clean.
