VIRTUOSO

INNOVATION BEGINS WITH VIKING

**6 SERIES COOKTOPS**  
30" AND 36" WIDTHS

Induction cooking transforms your cookware into the heat source for a cooler, efficient, and energy saving method of cooking. MagneQuick™ Induction Elements utilize magnetic energy for superior power, responsiveness and efficiency. Touch controls are easy to use and include two timer functions. Cooktops can be installed flush or standard mount.

**6 SERIES SINGLE AND DOUBLE OVENS**  
30" WIDTH

The new, transitional design of Virtuoso fits perfectly in today's transitional/contemporary kitchens. Two speed convection system circulates air throughout the entire oven cavity for even cooking. Innovative touch control screen is easy read and use. Ovens can be installed flush or standard mount.

*Also available in stainless with black glass.*

**6 SERIES STEAM OVEN**  
30" WIDTH

The Combi Steam/Convect Oven combines steam and convection baking in one versatile unit. Steam cooking is the healthiest and easiest way to cook fresh vegetables. When combined with convection, breads and pastries turn out light and fluffy with crisp crusts, and meats and fish result in moist, tender perfection.

**6 SERIES WARMING DRAWER**  
30" WIDTH

This new and improved Warming Drawer has great features including capacitive touch controls with a digital readout, built in meat probe and temperature settings from 90 to 250°F making sure you can keep a plate warm, proof bread, or serve piping-hot soup. Warming drawer can be installed flush or standard mount.

*Also available in stainless with black glass.*

**6 SERIES VENTILATION**  
36" WIDTH

The Virtuoso Wall Hood features electronic touch controls with four speed settings for blower and easy to remove dishwasher safe anodized aluminum mesh for quick cleaning. Sleek styling and hidden touch controls makes this a perfect fit for transitional/contemporary kitchens.

**BUILT-IN REFRIGERATION**  
36" BOTTOM FREEZER

**30" AND 24" ALL REFRIGERATOR**  
**30", 24" AND 18" ALL FREEZER**  
The Viking Virtuoso fully integrated built-in bottom-freezer refrigerator features exclusive patented BlueZone® Fresh Preservation Technology and other industry exclusive features including internal filtered water dispenser, capacitive touch controls, and a dual compressor system.  
*Custom panel model available.*

**DISHWASHER PANEL**  
24" WIDTH

Add this dishwasher panel to the Viking FDWU model dishwashers to complete your Viking Virtuoso Kitchen. These panels are available in stainless steel with Virtuoso handle.  
*Custom panel installation also available.*
