20 cu. ft. Frost Free Upright Freezer with LED Lighting

Color White

Product Description

Maytag brand keeps your favorite frozen foods their chilly best with this spacious 20 cu. ft. upright freezer with bright LED lighting. Frost Free defrost prevents icy build-up and also helps you avoid the slushy mess of defrosting. The FastFreeze option turns your upright freezer into a time capsule for food, lowering the freezer to its coldest temperature for 24 hours to lock in flavor and freshness. Our 10-year limited parts warranty on the compressor guarantees that you can count on it to keep all your food frozen for years. In a Maytag® upright freezer, food stays its best from grocery day until weeks later when that juicy roast and those crispy vegetables become a tasty meal for your family.
