

Easy installation built with pros and DIYers in mind

Top to bottom, every LG dishwasher includes features that help save you time and money

LG ThinQ®

ThinQ monitors water supply, drainage, and leakage and will notify you if any issues arise after installation.**

Flexible Mounting

Easily mounts to the side of the cabinet or the underside of the countertop—your choice.

Factory-Installed 3/8" Brass Fitting

Helps save money on parts and reduces chance of leaks—simply purchase a 3/8" water supply line.*

Faster Leveling

Rear feet adjust from the front so you can slide in the unit, level it and go.

Easier Electric

Standard junction box located behind the toe kick offers quick access for hardwire or plug-in installations.

Factory-Installed 6-Foot Drain Hose with Universal Fit

Attached to the back for easy installation and reduces the chance of leaks. The universal end adapts to 5/8", 3/4" or 1" to quickly fit any branch tailpiece or garbage disposal.

No-Fuss Insulation Blanket

Streamlined blanket easily slides into the dishwasher cutout without bunching.

LG Universal Installation Parts

Ask about LG Universal Installation Parts to make installation easy: Water Supply Line Kit, Power Cord, and Drain Hose Extension.

*Standard tall tub models only; panel-ready and ADA models require a 3/4" garden hose fitting and come pre-wired with plug.
**Available on select LG smart appliances with Wi-Fi enabled

Life's Good.

Get peace-of-mind after every install

LG ThinQ®

ThinQ Care offers proactive smart alerts. Get notifications about usage, maintenance, plus early diagnosis, right on your smartphone. ThinQ Care will help you avoid any potential problems and keep your LG appliances running at their best for years on end.*

Auto Leak Detection

Built right in for worry-free operation and dry floors. Compatible models with ThinQ Care will alert you as soon as there is an issue.*

Inverter Direct Drive Motor

Reliable with fewer moving parts for greater stability and quieter operation. Backed by a 10-year limited warranty for performance you can count on.

NeveRust® Stainless Steel Tub & Door

Enhances drying and resists rust, stains and odors for years to come.
