

Whirlpool Model: WZF79R20DW

20 cu. ft. Upright Freezer with Temperature Alarm

Color White

Product Description

Put a spotlight on your frozen favorites inside this 20 cu. ft. upright freezer with LED interior lighting. Activating Fast Freeze quickly drops the temperature to help lock in freshness and flavor, and the temperature alarm will notify you if the freezer gets too warm. The upright freezer prevents frost build-up for a hassle-free defrosting experience, and you can choose the ideal temperature for whatever frozen foods you're storing with electronic temperature controls. Plus, you can be sure there is plenty of ice on hand with the optional icemaker
