

Whirlpool Model: WFG770H0FZ

5.8 Cu. Ft. Freestanding Gas Range with Fingerprint-Resistant Stainless Steel

Color  Fingerprint Resistant Stainless Steel

Product Description

Keep dinner time from getting in the way of family time. This gas oven range's true convection cooking cooks food faster. Convection Conversion will do the math for you to adjust cooking times and temperatures. Skip preheating this kitchen range for favorites like pizza, lasagna, chicken nuggets, fries or pies with Frozen Bake™ technology. Large griddles and other longer cookware fit on the center oval burner to help them heat evenly on the range stove. And when it's time to clean up, the kitchen range's EZ-2-Lift™ hinged cast-iron grates provide quick access to wipe up spills while fingerprint-resistant stainless steel hides fingerprints and smudges on the exterior.
