

# CUSTOM 15" ELECTRIC GRIDDLE

## Signature Features

### 1,800-WATT ELECTRIC GRIDDLE

This high-performance, 1,800-watt chrome griddle provides even heat distribution for consistent cooking. Its durable chrome surface allows for faster cooking while radiating less heat into the kitchen, and can be easily cleaned to maintain its sleek appearance.

### 15-INCH WIDTH

Allows consumers to take advantage of multiple cooking capabilities by adding individual appliances such as a griddle or wok, and provides installation options inside and outside the kitchen.

### WHITE LED BACKLIT KNOBS

A white LED light glows underneath the entire knob when the burner is lit to enhance the premium design.

### LOW-PROFILE DESIGN FOR TRADITIONAL INSTALLATIONS

Stands just 3 millimeters above the countertop surface creating a uniform, minimal look — nearly flush with the countertop — among select Jenn-Air® cooking appliances.

## Technical Specifications

### Configuration and Overview
