Garage Ready in Freezer Mode Chest Freezer with Baskets - 16 cu. ft.

Color White

### Product Description

The Maytag® garage freezer is made to withstand both hot and cold conditions when in freezer mode. This garage ready chest freezer has been tested to withstand temperatures between -18°C and 43°C (0°F and 110°F) while maintaining an optimal temperature inside. It's also adaptable. As a freezer fridge combo, this freezer can convert depending on your storage needs and includes heavy-duty sliding baskets for a durable organization solution. With Power Loss Assist, food stays frozen for over 35 hours after a power outage, giving you one less reason to worry.
