

# RISE™ 24" BUILT-IN UNDERCOUNTER WINE CELLAR - LEFT SWING

## Signature Features

### DARING OBSIDIAN INTERIOR

Inspired by volcanic glass, this dark finish erupts with reflective, high-contrast style. Let the object of your desire emerge like vibrant art, begging to be consumed.

### UV-RESISTANT THERMAL GLASS

Let your tongue meet tannins. Double-paned glass helps filter out ultraviolet light and helps reject temperature swings to sustain the body and finish you covet.

### SMOOTH CLOSE RACKS

Smooth moves. Each beechwood rack opens and closes fluidly and quietly, even when fully loaded.

### 45 BOTTLE CAPACITY

Drench your desires. Chilled from neck to end, every bottle of cool, liquid temptation is cradled in one of two precision temperature zones.

### MARQUEE LIGHTING

Light up the night. Strips of LED lighting run vertically on either side of the cellar, illuminating each label so you can select a perfect pairing.

### SMOOTH CLOSE DOOR

Quiet, soft, secure. An articulating hinge discreetly ushers the door open and gently pulls it closed.

### INDEPENDENT TEMPERATURE ZONES

Compose ideal climates for choice wines. Two temperature zones and eight curated presets await your command.

### STEALTH FLUSH DESIGN

Create an unbroken silhouette. Discreet " reveals envelop every side, without exposed hinges or trim pieces.

### PRECISE TEMPERATURES & HUMIDITY

Unwavering conviction. Two temperature sensors in two zones keep the climate firmly within your control, while a single humidity sensor monitors quietly in the background for long term wine storage.
