36" 585 or 1170 CFM Motor Class Custom Hood Liner

Color Stainless Steel

Product Description

This 36-inch custom hood liner allows you to conceal ventilation within cabinetry or a decorative hood cover, creating a style all your own. Choose from two compatible blower motor options (sold separately) for complete customization of your ventilation system. A 65,000 BTU rating allows this hood liner to pair with 36-inch ranges or cooktops of comparable output.
