

Whirlpool Model: GX900QPPS

Gold® 15-inch Undercounter Trash Compactor with Clean Touch™ Console

Color Stainless Steel

Product Description

Make fewer trips to the trash can with a built-in trash compactor that helps streamline your kitchen. The generous 1.4 cu. ft. capacity holds more, so you can take the trash out less. Easy Rollers™ installation wheels help you easily position the compactor where you want it. Plus, the Touch-Toe™ provide hands-free opening. A light tap of the toe does the trick, releasing the drawer with ease. And the Touch Pad controls on the Clean Touch™ console has a smooth surface with no dials or switches, so it wipes down easily with the simple swipe of a cloth.
