30-Inch 4-Burner Dual Fuel Downdraft Slide-In Range

Color Stainless Steel

Product Description

This all-in-one dual fuel range includes Downdraft, which integrates the ventilation system so a separate hood is not needed. Smoke and odors can be removed outside or filtered air can be recirculated inside. This range allows you to achieve flawless cooking results thanks to Even-Heat™ True Convection. The unique bow-tie design and convection fan ensure the entire oven is heated perfectly. It also has a Steam Rack that offers the ability to add moisture to the oven and enhances cooking results.
